Certificate of Electronic Filing
I hereby certify that this correspondence is being
electronically filed with The United States Patent Office via

Barbara Pough: _____

Dear Sir:

In response to the Interview Summary mailed August 3, 2010, Applicant respectfully submits this response. Applicant and Applicant's representative would like to thank Examiner Blizzard for taking time out of his schedule to conduct an in-person Examiner Interview in this application on July 22, 2010.

Applicant submitted an Interview Summary in conjunction with the Response and Request for Continued Examination filed August 2, 2010. However, the Interview Summary from the USPTO was not mailed until August 3, 2010. Therefore, Applicant hereby submits a Response to Interview Summary.

During the July 22, 2010 telephone interview, Examiner Blizzard, Supervisory Examiner Yu, and Applicant's representative discussed proposed claim amendments to independent claims 1 and 6, as well as the prior art of record. When Examiner Blizzard asked for location of support in the specification for the proposed claim amendments, Applicant's representative pointed to page 5, lines 22-26 of the Application as filed. Applicant also provided support for the claim amendments in the Response filed August 2, 2010. Therefore, Applicant respectfully disagrees with the statement that Applicant "was unable to provide specific support in the specification."

No fees are believed to be required by the filing of this interview summary. However, the Commissioner is hereby authorized to charge any fees due to Deposit Account No. 11-0855.

Respectfully submitted,
